

A FOUNDATION STONE CHURCH LEARNING LAB

LOVE REQUIRES DISCERNMENT

*Healthy relationships are formed through wisdom
and character—not emotion alone—and
discernment protects vulnerable hearts.*

ABOUT THE LEARNING LAB

Deidra Lashley, MPH, has worked in the field of domestic and sexual violence for over 30 years.

In this Learning Lab, she will explore current trends in romantic relationships, examine where unhealthy patterns begin and when they cross the line into harmful behaviors, and discuss why it can be so difficult for individuals to leave unhealthy relationships.

The session brings biblical wisdom and practical insight together so participants can navigate complex relationship situations with greater clarity, discernment, and care.

WHO SHOULD ATTEND

- People of all ages seeking healthy, Christ-centered relationships
- Friends and family members who are uncertain how to help
- Ministry leaders who want practical language for difficult situations

THE PURPOSE

To equip the Body of Christ with biblical wisdom, practical insight, and greater discernment for navigating challenging relationship situations.
